- D. Proposals of all overnight non-air trips:
 - a. All trip proposals must be presented to the Travel Committee in writing by June 30 each year. Proposals shall include at a minimum trip leader's name, destination, accommodations, mode of transportation, time and proposed date of departure and return, deposit and cancellation policy, and cost.

- E. Mountain passes such as IKON, EPIC, or gift certificates may be used if they do not impact the cost of the trip to the club by impacting Trip Leader complimentary tickets or other group negotiated costs. "No lift ticket" pricing may be offered on certain trips. Use of other discounts may be permitted at the discretion of the Trip Leader.

- F. A member may purchase a day lift ticket by meeting the ski club bus at the mountain on the day of a trip. Trip leader must approve any deviation in travel by participant prior to trip departing.

III. CANCELLATIONS

a. Day trip Cancellation –

- i. A participant who cancels his or her trip reservation seven (7) or more days before the trip will receive a CCSC credit for the entire price of the day trip.

b. Overnight Trip Cancellation –

- i. A \$20 non-refundable cancellation fee is charged to member or applied to actual cost incurred by the club. Refund and cancellation policies vary for overnight trips and the trip leader may not be able to provide specific information until after a trip has run and is reconciled. **

c. Fly trip cancellation –

- i. \$50 non-refundable cancellation fee is charged to member or applied to actual cost incurred by the club for cancellation. Refund and cancellation policies for airlines, hotels, tour operators and other entities vary and are outside the control of the club. Trip leaders may not be able to provide specific information until after a trip has run and is reconciled.**
- ii. In very rare cases, a scheduled trip may be affected by weather conditions and specifically lack of snow at the destination. In these circumstances, the travel chair and/or trip leader will work with the tour operator to re-design a trip and offer an alternate and comparable destination. If it becomes necessary to cancel a trip, the club and members may incur monetary loss including but not limited to various cancellation fees, deposits, rebooking fees and airline penalties. The club will, to the best of its ability, return money to the member and this will be determined by the Board of Directors as the cancelled trip is reconciled. In the event no reimbursement is obtained, the members may lose their deposits and/or payments.

- d. It is the trip participant's responsibility to pay any costs incurred by the Club as the result of canceling their reservation for a trip.
- e. "No-shows" will not be entitled to any refund. After a trip has been reconciled the Treasurer may authorize a full or partial refund when trip is reconciled.**
- f. **Refunds** --In the event that the Cape Cod Ski Club cancels a trip due to low participation or bus cancellation, all money paid, with the exceptions listed under Fly

Trip cancellation, will automatically be returned to the member as a credit on their club account and may be used for future club trips or events. The member may also request a refund by contacting the trip leader, and a check will be sent to the member

** In general, the Board makes every effort to return funds to members when possible. Complete trip reconciliation including receipt of all invoices, payments or credits may take 30-60 days after a trip has occurred. It will usually benefit the member to be patient in this process.

- H. ROOMING - All overnight trips are sold per person, double occupancy. Members who sign up without a roommate will have one assigned by the trip leader. If a roommate is not available the member may be subject to a single supplement.

- J. Fly trips are sold on a 'first come, first served' basis. The Board sets a date, typically the first Monday in August, when fly trip registration is available online. Advance notice will be sent by email and posted on the website, as to date and time of fly trip release. Members must register online and make required payments online or by timely sending a check to the Trip Leader.
- K. In the event that a fly trip is over-subscribed on the initial offering, every effort will be made to accommodate all members who sign up at that time. A wait list will be established, as necessary. Sign-ups after the initial offering will be accommodated on a space-available basis.
- L. Non-skiers are welcome on all trips. If the group rate is affected by his or her presence, the non-skier shall pay for a lift ticket.
