

## Cape Cod Ski Club President's Letter – April, May, June 2024

Hey everyone! Johnny Bumps (aka John Terwilliger) here! Spring has sprung ... finally ... on the Cape and the Travel Committee lead by Chair Vic LePage has been extremely busy getting the slate of fly, u-drive overnight, and day trips lined up for the coming season.

You've most likely seen the email about the early sign-up date for fly trips. Due to the strict deposit schedule for hotels and airlines, the Travel Committee and the Executive Board find that moving up the fly trip registration date to Monday, June 24, 2024, is necessary. This date is much earlier than in the past but there's not much we can do about it. And, hey, if you were going to sign up anyway, now you can sign up in June and spend the entire summer getting your legs ready!

When it comes to purchasing a pass, it's incumbent upon you to investigate which pass will serve you best. Compare them all; check out the link to EPIC and IKON passes via our tour operator, Ski White Diamond / SWD. Be sure to do your homework! And be aware of purchase deadlines and price increases.

Membership for the 2024-2025 season – new and renewals – will open as usual on June 1, 2024. Complete the online form and pay online or mail a check. As a reminder, you will be unable to register for a fly trip unless you have a current 2024-2025 membership. Our new Membership Chair Cheryl Graney will be behind-the-scenes ensuring you get reminder emails.

The Spring Banquet and Annual Meeting was another great hit! Our collective thanks to Social Chair Deb Schilling for putting it all together and then heading off on an electric bike excursion in Europe! The food, music, and camaraderie were top notch!

If you're in the mood to gather with your Cape Cod Ski Club buddies and make new ones, let us know about a biking, hiking, kayaking or other gathering! Just because it's not winter doesn't mean we can't all get together! Email the club at [capecodskiclub.com](mailto:capecodskiclub.com) and we'll post the event on the website and on our Facebook page. These are casual get-togethers throughout the summer, and it would be great to see you!

Until my next letter in July, have a great spring!

Johnny Bumps!
