TRIP INSURANCE FAQ

Ski White Diamond **STRONGLY RECOMMENDS** the purchase trip cancellation & travel insurance for all members traveling on our hosted ski trips this winter.

Do You Recommend Trip Insurance?

Yes. We believe the incremental cost of the premium is a sensible investment. It provides peace of mind and excellent financial protection for the hard earned cash you will spend on your trip!

Which Policy Do You Offer?

We offer `Ski Trip Preserver` by Red Sky Insurance which provides coverage for a wide range of ski trip specific scenarios that many other policies don't cover.

Why Should I Buy It?

Ski Trip Preserver covers for lack of snow, travel delays, ski equipment protection and contains generous trip cancellation provisions. Ski Trip Preserver also provides excellent accident, sickness & medical evacuation coverage. Avoid submitting expensive medical claims via your primary healthcare policy that can result in hefty future premium increases.

How Much Does It Cost?

Premium cost is **6.95% of the total trip package cost**. For example, the premium for a \$1,000 trip package would be \$69.50.

How Does This Policy Cover For COVID-19 Related Claims?

We strongly encourage you to read the Red Sky Coverage Alert before confirming your policy. This will help you understand how Red Sky's policy limits or excludes coverage related to COVID-19, as well as temporary, specific accommodations being made during the pandemic:

Anything Else We Should Know?

You have 14 days to review and decline coverage for a full refund if you are not satisfied with your purchase. Also try to sign up within 21 days of initial trip deposit payment to ensure coverage of pre-existing conditions (see policy document for full details). You may still purchase coverage after this 21 day period but coverage for pre-existing medical conditions will be excluded.
